# California Academy of Sciences

Founded in 1853, the **California Academy of Sciences** is a renowned scientific and educational institution with a mission to regenerate the natural world through science, learning, and collaboration.

Based in San Francisco's Golden Gate Park, it is home to a world-class aquarium, planetarium, and natural history museum as well as innovative programs in scientific research and environmental education—all under one living roof.

# A membership program that makes a significant impact

Interested in joining our Corporate Membership program? **Your Corporate Membership will support the Academy's work.**

Corporate Memberships are available at a number of different prices, and include exclusive donor benefits for you and your employees. Benefits include complimentary Academy admission, private tours, priority access to the Academy's Volunteer Program, and more while aligning your business with cutting-edge research, education, and sustainability initiatives.

Thank you for your interest in the Academy. We hope you will join us in advancing our mission to regenerate the natural world through science, learning, and collaboration.

# Corporate Volunteer Opportunities

Interested in organizing a team volunteer day? Here at the Academy we offer Corporate Members priority access to volunteering dates and opportunities. Join our Academy Landscaping Team on our famous Living Roof\* and learn about the importance of California's plant biodiversity. Want some face time with visitors? Help with seasonal programming on the public floor with our Public Programs Team.
